Testimonial

My husband and I would have no hesitation in recommending Cam and Abby to anyone wanting to work with a reliable, down to earth building team. Throughout the entire build process we were kept informed of progress and all upcoming decisions.

Cam and Abby were always available to discuss fitting selections and to bounce ideas off, which we appreciated considering we had never built a new-build property before. Abby attended meetings with suppliers providing advice and ideas which was appreciated and let us know key milestones and exciting onsite activities that our young children might want to see and be involved in. This consideration was greatly appreciated and made our young family feel involved and excited about onsite progress.

Following completion, we have been impressed with the post completion service we have received. All our requests for touchups to occur have always been quickly agreed and actioned by Cam, without any fuss. With us both working in the construction industry we understand this is often not the case.

Looking back on the process from the comfort of our new home, we are so glad we worked with the Fowler homes team and would recommend them to anyone seeking a professional, reliable, down to earth team. - **Ruth Jellyman**
